Tyler Bernaiche (Assistant Parks & Rec Director): My name is Tyler Bernaiche and I'm the Assistant Parks & Rec Director along with handling all the youth sports for the community of Arundel. This summer will be my 7th year working for Arundel Rec and I'm looking forward to working with the middle school group this summer. This past winter I became a licensed CDL driver, so you might see me driving the bus this summer! I graduated from Endicott College in Beverly, Massachusetts with a bachelor's degree in Sports Management. Currently I live in Saco with my girlfriend Haley and our two cats, Myla & Bo. Sports has always been my passion since I was a little kid. I still play basketball multiple times a week with adult pickup basketball on Thursday nights during the summer at MLD with a lot of dads within our community. I enjoy hanging out with my girlfriend, family, friends, and watching sports. My favorite part of my job is helping your children develop passion for sports they love, providing a healthy/safe environment at rec and working for the wonderful community of Arundel. If you ever have a question, feel free to reach out to me. I enjoy talking with the parents of our community.

Jenn Shea (Parks & Recreation Director): This year marks my 24th year as Parks & Rec Director for the Town of Arundel. I am looking forward to another fun-filled Summer Rec season with your children and our top-notch staff! I have a bachelor's degree in English, and I am currently working on a master's degree in public administration at the USM Muskie School for Public Service. I am a Registered Maine Guide and also have a bus license, so you'll see me behind the wheel of the Rec bus driving the kids to fun places both near and far. This past year, I trained some new bus drivers who successfully passed their

road tests over the winter...you might see Tyler or Kristin behind the wheel of the bus this summer! My husband and I have 4 adult daughters and 1 son-in-law. Our granddaughter, Lillian Jane, turned 1 in March of 2026. We have 3 dogs, 2 cats, and a flock of chickens at home. Many of my hobbies are tied to our farm here in Arundel, and our family. I enjoy being outdoors, spending time with my family, exploring, and traveling, especially to the Camp Lejeune area of North Carolina where Lillian Jane lives with her parents....Adrienne is a dental hygienist and her husband, James, serves in the US Navy. Our other three daughters live fairly close to home. Libby is a medical student at UNE studying to be a D.O. in Family Medicine. Sofie is a 2026 graduate of U Maine who earned her RN, BSN. She has just started working as a nurse at the hospital in Biddeford. Our youngest daughter, Summer, is an engineering student at UNH.

Outside of work, I recently celebrated an exciting new chapter in life - getting married in September 2025 and purchasing a beautiful new home in Saco, which I'll be moving into this June. In my free time, I love being outdoors and staying active. Whether it's spending the day at the beach, kayaking, hiking, going out in the boat, or playing a round of mini golf, I'm happiest enjoying everything summer has to offer.
